 **Fake escrow website- www.peter-transport.co.uk**

« on: December 15, 2014, 11:14:39 AM »

Yesterday I contacted a seller about a BMW e90 M3. Now I got this answer:  
First of all I want to thank you for your interest for my car. I've almost reached an agreement with a potential buyer. Unfortunately, it looks like there are some problems and he doesn't have all the **money to** pay, for the moment. The car is still available for sale, it is in extremely good condition, 100% HPI Clear, full service history. Currently I am on a business trip to Italy and will have to stay here for about 6 months (this is why I am selling the car for a low price and I am looking for a fast sale to finance the Italian project). I left the car in Peter's Transport custody ([www.peter-transport.co.uk](http://www.peter-transport.co.uk)) and they will handle the sale for me. The V5 log book is already signed on my behalf, the car will come with 2 keys, all service records and previous MOT's. Peter's Transport will deliver the car directly to your home address and I will pay all delivery expenses.

If you are interested in purchasing the car just contact Peter's Transport department that handles the sale directly at: [traffic@peter-transport.co.uk](mailto:traffic@peter-transport.co.uk) and they will assist you with any questions you might have regarding the transaction. When contacting the Peter's Transport please specify my name (Caroline Whyley) and the car make and model.

Thank you

THIS IS A BIG SCAM
